This daylong New York event is a must-attend for luxury retailers, luxury brands, publishers, ad agencies and market researchers looking for strategic and tactical advice, tips, case studies and research on luxury retailing, especially in the run-up to the holidays. At this exclusive summit organized by this publication at the Time & Life Building in Midtown Manhattan, attendees will get to listen and meet with key executives moving the needle for the luxury business including retail, marketing and media. The conference will be limited to only 150 delegates.

The Luxury Retail Summit: Holiday Focus 2015 is part of this publication's exclusive summit series including Luxury FirstLook and Luxury Insights. The events' core point of difference is their strong editorial spine with a deep-dive into topics under discussion.
