Confirmed speakers include senior executives from Rolls-Royce Motor Cars, XOJet, Redfin and the Luxury Institute, among others.

The daylong summit will focus on the state of luxury at the midyear point, what luxury brands and retailers have accomplished strategy-wise so far in this economy and what they expect to do to steer their companies through the rest of the year.

This is the only midyear luxury conference. It is part of Luxury Daily's portfolio of events, including Luxury FirstLook, Luxury Insights Summit and the Luxury Retail Summit.

The agenda with more speakers and their talking points will be posted sometime next week.

Please check back in with Luxury Daily. We hope to see you at our event where you can learn and network with smart luxury marketers.
