[Why Montage Beverly Hills has been ranked the top luxury hotel in Los Angeles two years in a row](#)

There are hundreds of luxury hotel awards these days. Best rooftop pool bar. Best pet concierge services. Best in-room dining. Facial. Shoe shine. The list goes on. There are so many niche awards, in fact, that many bespoke, old school hoteliers quietly (and smirkingly) often wonder amongst themselves when someone's going to start handing out a luxury hotel "participation" award, per Forbes.

[BMW, Baidu end joint project on self-driving cars](#)

BMW Group and Chinese internet giant Baidu will end their joint research on self-driving cars, executives for the two firms said Friday, with Baidu now searching for new global research partners, says Automotive News.

[Nordstrom's big department store bet](#)

Toronto Eaton Centre is unusually busy for a weekday morning. It's not even 8 a.m., hours before stores in the popular shopping mall will open on this Friday in September, and 1,500 people are waiting in its northeast corridor. Everyone is here to celebrate the grand opening of Nordstrom, the storied American department store, reports Racked.
