Coming from Hong Kong, flights will be non-stop and be adorned with oriental art and hospitality, which will be complemented by similar experiences at the Waldorf Astoria locations.

Visitors in Paris will be taken on tours throughout special galleries, museums, restaurants, limousines and yachts with experts.

Guests will also have access to special gardens and be immersed in the special art deco of the Waldorf Astoria buildings in both Paris and Rome.

In Rome, attendees will get to experience a focus on the heritage of the city. Guests will be taken to art galleries and historic landmarks.

These new experiences come after Deer Jet's "Hong Kong to Tahiti Dream Journey," which offered a similar experience to Tahiti. These special itineraries have been crafted after Deer Jet recently acquired the 787 Dream Jet in September of last year.

#### Private jet experiences

Hospitality brand Four Seasons took on a similar initiative when it brought affluent culinary enthusiasts on a journey that spans multiple continents with once-in-a-lifetime experiences.

As part of the Four Seasons Jet Experience, the Culinary Discoveries journey appealed to the foodie, spanning nine locations in 19 days. The \$135,000 per person trip includes a variety of encounters having to do with food that guests will not be able to experience anywhere else ([see more](#)).

Also, ultra-luxury travel agency Remote Lands and hotelier Aman gave their clients a tour of Asia in their latest private jet expedition.

The aerial excursion took 16 guests through China, Bhutan, India and Sri Lanka from Oct. 9-26. As travel becomes more accessible further down the income ladder, private jet experiences remain an ultra-exclusive manner of winning over the highest-value clientele ([see more](#)).
