Together with Richemont-owned Piaget, Mandarin Oriental, Kuala Lumpur has introduced the Luxury Experience with Piaget guest package. Meant to heighten guests' time at the hotel, the package includes spa treatments, in-room amenities and keepsakes from Piaget to remember the stay.

Amongst the roses

Mandarin Oriental introduced the Luxury Experience with Piaget package at the end of July and it will be available until June 30, 2018.

Guests who book the suite accommodation offer will stay in the Mandarin Oriental's Kuala Lumpur Park Suite, which overlooks the city.

Starting at \$1,296 per night, the Luxury Experience with Piaget includes a welcome gift of Mot & Chandon Champagne and daily breakfast for two at the hotels Mosaic restaurant.

During the stay, guests will enjoy a two-and-half-hour Romance of Rose spa treatment for two. Piaget is known for its floral jewelry and appreciation of the rose, making this spa treatment a cohesive addition to the jeweler's branded hospitality package.

In the Kuala Lumpur Park Suite guests will also be treated to an in-room Aromatherapy Associates Renew Rose infused with Himalayan sea salt bath.

To remember the stay, ideal for couples, Mandarin Oriental and Piaget will gift the guests with a 18-karat rose gold Piaget Rose pendant, valued at \$1,932.

Additional keepsakes include a Piaget Rose-scented candle and a copy of the jeweler's lifestyle magazine.

The Luxury Experience with Piaget has a two-night minimum booking requirement.

Mandarin Oriental, Kuala Lumpur is not the first property to team with Piaget for a memorable experience.

In March, Mandarin Oriental, Tokyo celebrated cherry blossom season with help from a Swiss jeweler known for its love of flowers.

Mandarin Oriental aligned with Piaget to host a truly romantic stay for couples. The floral-themed room package includes a choice of in-room gifts, dining options and spa treatments to ensure the experience can be customized to each guest's liking ([see story](#)).
