State of Luxury 2019 **Save \$246 ▶**

Held at the UBS Building New York, Women in Luxury was organized by *Luxury Daily* to bring together some of the most influential women in luxury to talk about their experiences and the challenges facing women in the luxury world today. Topics ranged from making one's voice heard to the struggles of being a woman in a male-dominated field.

Here are some of the best photos from the event:

Luxury Daily's editor-in-chief Mickey Alam Khan
