For families with children looking at colleges and beginning the application process, XOJet and Mandarin Oriental are working with college counselor Abby Seigal to help ease the process. A special college tour package will be able to fly private to multiple destinations to visit colleges while staying at Mandarin Oriental suites.

### Luxury college

The entire family will be able to join the experience as part of the package, with suites at Mandarin Oriental hotels big enough for everyone.

XOJet's package also comes with a private consultation with an award-winning college counselor for guidance in navigating the admissions process.

Complimentary Frette extra-long twin bed linens to fit a college dorm room bed, De-Stress Body Wash and Muscle Gel from each property's signature Spa product lines are included.

Gourmet dorm room treats, packaged in a convenient carry all shower tote will also be gifted to the future student.

The package will also include standardized test coaching and prep for interested customers.

This package is the latest in a series of initiatives with Mandarin Oriental.

XOJet is continuing to display its commitment to service with its first global hotel partnership with Mandarin Oriental Hotel Group.

Through XOJet's partnership with Mandarin Oriental, its Preferred Access and Elite Access clients will be eligible for privileges at the hospitality brand's hotels and resorts. XOJet has worked to ensure that every aspect of a trip where its services are used is enjoyable by partnering with others in the travel and hospitality space to guarantee that no detail is overlooked ([see story](#)).

Love this XOJet program. I also love visiting colleges. Hmmm, I should sign on as a tour guide.
