It was a strange season with Gucci and Bottega Veneta temporarily out of the picture, but that only left room for Milan's other megabrands to grab more attention. And that's just what they did. Asked for their thoughts about the spring 2019 season, which wrapped up here on Sunday night, buyers pointed to Prada, Fendi and Missoni, which staged a big 65th anniversary celebration with a performance by Michael Nyman, as the highlights of the week, with some gutsy shows, according to Women's Wear Daily.

[Porsche drops Diesel engines in wake of emissions scandal](#)

German luxury car maker Porsche AG will no longer offer diesel versions of its cars, the Volkswagen AG unit said Sept. 23, becoming the first German auto maker to drop the engines in the wake of the emissions-cheating scandal, reports the Wall Street Journal.

[The Dior Saddle bag returns, luxury consignment sales soar](#)

The power of influencers and the resurgence of nostalgia has proven to be a winning combination for the "It bag" of

the late nineties and early aughts: the Dior Saddle. Back in the spotlight, after being discontinued a distant—yet not forgotten—18 years ago, Dior timed the surprising re-issue of the iconic design with the help of influencers for one big social media push, according to Forbes.
