[Italy's woes could spell LVMH moment for Moncler](#)

Remo Ruffini could be Italy's answer to Bernard Arnault in 2019. Since rescuing Moncler in 2003, the entrepreneur has rejuvenated the brand into a goose-down success story, says Reuters.

[Cond Nast's UK titles swing to a loss](#)

Cond Nast Britain, which includes the U.K. editions of *Vogue*, *GQ* and *Glamour*, reported declining revenue and a 13.6 million pound (about \$17 million) loss in 2017, demonstrating that the challenges facing the print publisher extend beyond the United States, per Business of Fashion.

[Median price of Manhattan apartments drops below \\$1M](#)

The median price of a Manhattan apartment has fallen below \$1 million for the first time in three years, according to a survey of sales in the final months of 2018, as real estate agents struggle to shift a glut of luxury properties and

potential buyers worry about the outlook for the U.S. economy, according to the Financial Times.
