Today in luxury:

[Fendi releases a chunky low-top leather and mesh sneaker](#)

Fendi recently dropped one of the sneakers from their spring/summer 2019 collection as the brand continues to ride the bulky sneaker trend. The funky and chunky sneaker is Italian made, featuring black mesh and brown panels with predominantly white leather uppers, says Hypebeast.

[Chanel unveils boutique in Chicago](#)

Chanel has a more spacious, more modern new home in the Windy (and right now, frigid) City. Opening on Wednesday as the city sees subzero temperatures from the polar vortex gripping the Midwest and East Coast the

10,000-square-foot boutique at 65 East Oak Avenue was designed by architect and longtime Chanel collaborator Peter Marino, per Women's Wear Daily.
