[Here's what a luxury NYC real estate agent thinks about Amazon HQ2](#)

Ryan Serhant, real estate agent and managing director at NestSeekers International, started his career in Long Island City. He is well known as one of the real estate agents on Bravo's "Million Dollar Listings New York." Watch what he has to say about the Amazon HQ2 situation and how his clients are being affected, per CNBC.

[Trump's political success comes with a cost for his business](#)

When President Donald Trump took office, his critics feared that he would exploit his new position for the benefit of his family business. And while some properties of the Trump Organization — most notably its hotel in Washington — have prospered, other enterprises have languished or failed, according to Bloomberg.

[Hermès' refusal to change is its most radical gesture yet](#)

The fashion house remains loyal to a way of life more common to Europe's medieval guilds, dedicating itself to the idea of craftsmanship above all else, per The New York Times.
