Georgia's Sea Island resort joins other Jet Linx partner destinations, including Colorado ski resort Telluride and Meadowood in Napa Valley, CA. Jet Linx is also expanding its existing arrangement with KEY Concierge to offer travelers more personalized service.

"We are thrilled to welcome Sea Island to our exclusive portfolio of Elevated Lifestyle partners and, additionally, further enhance our current relationship with KEY," said Jamie Walker, president/CEO of Jet Linx, in a statement. "Both brands are ideal partners whose shared values of exclusivity, luxury and attention to detail, provide our Jet Card members and aircraft owners with premium services and tailor-made experiences whenever and wherever they travel."

Southern service

Located on the barrier islands of Georgia, Sea Island is accessible by the private McKinnon St. Simons Island Airport. Known for its refined approach to southern hospitality, the resort has received four Forbes Five-Star awards for 11 consecutive years.

While staying at The Cloister and The Lodge on Sea Island, Jet Linx members can enjoy access to three championship golf courses, a luxury spa and fitness center, restaurants and more. Guests can also partake in a range of recreational activities including hunting, boating and horseback riding or take advantage of complimentary access to a BMW for drives around the island.

Jet Linx is also giving its Elevated Lifestyle members access to KEY Anywhere, which provides luxury white-glove concierge services in any location worldwide.

To make overseas travel much more convenient for its private jet fliers, Jet Linx first teamed with KEY Concierge in 2017.

Though the Jet Linx partnership was initially available in limited locations, concierges with KEY provide anything guests may need such as groceries upon arrival at their destination, accommodations, private transportation, reservations, a private chef and other local needs ([see story](#)).

Jet Linx's Elevated Lifestyles is available for frequent fliers at tiered levels.
