This second drop strengthens the brand's relationship with DJ Khaled, who is known for his fun-loving and encouraging personality on social media as much as his hip-hop tracks. The collection is now available online and in select Dolce & Gabbana boutiques.

"DJ Khaled's energy and passion greatly impressed us," said Domenico Dolce and Stefano Gabbana, cofounders of Dolce & Gabbana, in a statement. "Working with him on this special project was a new and exciting experience."

Run it back

DJ Khaled, born Khaled Mohamed Khaled, and Dolce & Gabbana first collaborated on a streetwear capsule that launched in March.

The first Dolce & Gabbana x Khaled Khaled collection included men's jogging shorts, T-shirts, swim trunks, jackets and pillows in the two different tropical prints as well as chain necklaces and bracelets. DJ Khaled also appeared in an upbeat film to promote the release ([see story](#)).

DJ Khaled went on to wear Dolce & Gabbana on the cover of his 12th studio album, Khaled Khaled, which was released on April 30.

The second collaboration between DJ Khaled and Dolce & Gabbana is anchored by a Caribbean-blue print adorned with pink flamingos, green palms and accented with zebra print details. The vibrant designs reflect the record producer's energy and the neon aesthetic of Miami.

The new pattern is splashed across ready-to-wear, beachwear and accessories for men, women and children. In promotional images, DJ Khaled poses alongside his wife Nicole and their two sons.

Pieces include T-shirts, jogging pants, shorts, beach sliders, pouches, sunglasses and face masks.
