Through the collaboration, flyers onboard Jet Edge flights to Montage and Pendry properties will enjoy amenities from La Maison Valmont. This is the latest move Valmont has made as it positions itself in the lifestyle and hospitality space.

### Skincare in the skies

Jet Edge travelers visiting any of the Montage Hotels & Resorts, Pendry Hotels & Resorts and Montage and Pendry Residences around the world can enjoy skincare amenities courtesy of Valmont.

The Valmont amenity kits include a deluxe size of the label's Prime Renewing Pack, Eye Instant Stress Relieving Mask, Prime Contour and Priming with Hydrating Fluid. The products will ensure that clients arrive at their destination looking refreshed and rejuvenated after their flights.

Additionally, Jet Edge owners, Reserve members and charter flyers with a confirmed Montage or Pendry reservation can enjoy special charter rates for flights to all Montage International destinations.

Montage International has properties in glamorous destinations in the Bahamas, Mexico and throughout the U.S., including Sonoma County, Hawaii, New York and more. The group's spas are already known for using Valmont products.

From start to finish, the partnership with the three brands will ensure a seamless and exclusive travel experience that will pamper clients.

Valmont is also forging into the hospitality space with new ultra-luxurious residences for the maison's most valued clients and friends.

Les Residences Valmont are opening their doors in four countries, offering the opportunity for guests to fully immerse themselves in the brand. The residences bridge two of Valmont's pillars, beauty and art, through their design and bespoke experiences ([see story](#)).
