Taste, craftsmanship and color come together for the ultimate Italian treat, the limited-edition Dolce Vita. The new decadence is a harmony of flavors and textures, capturing the scents and atmospheres of Mediterranean, and is now being sold at all U.S. **Eataly** locations and other select retailers.

A very sweet life indeed

The Dolce Vita dessert is a melding of gianduja heart, lemon-flavored nibs and crunchy whole hazelnut, all coated in delicate white chocolate with notes of vanilla.

In staying true to the chocolate maker's signature of a love note wrapped in every Baci, offering collectible messages of love and friendship, the Dolce Vita will have a fashion flair.

The limited-edition offering will feature 35 disparate affirmations, penned by Domenico Dolce and Stefano Gabbana, found inside each praline.

The collection is available in a tin box at \$46.99 or a standard box for \$18.99.

Dolce & Gabbana continues to find new and exciting ways to honor its Italian heritage.

For nearly a decade, Dolce & Gabbana has presented its high fashion Alta Moda collections across Italy in an effort to spotlight the country's unique culture. Last September, the presentations were held in Florence.

This year, the label took to Venice to reveal its Alta Moda spring/summer 2022 collection ([see story](#)).
