While not inherently associated with luxury, Disney has dabbled in the space with a number of high-fashion projects.

In July, LVMH-owned fashion house Givenchy debuted a limited-edition capsule collection in collaboration with Disney.

The new line from the French fashion house features animal characters from the 1961 animated film, "101 Dalmatians." Many of the ready-to-wear items feature spotted motifs, a clear allusion to the distinctive coat pattern of Givenchy's latest canine muses ([see story](#)).
