U.S. actress Chandler Kinney is known for her role in the Disney film "Z-O-M-B-I-E-S 3" as well as in the HBO Max series, "Pretty Little Liars: Original Sin."

Presently, the actress can be seen modeling David Yurman's Cable Edge collection a series of grooved, linked and plaited styles made largely of recycled sterling silver as well as the gold-favoring Renaissance collection.

Classic styles reborn

With this new appointment, Ms. Kinney joins a stable of famous as well as up-and-coming faces including British model and influencer Lila Moss, U.S. country music singer Kane Brown, as well as actress Scarlett Johansson and singer-songwriter Shawn Mendes.

The other ambassadors recently starred in respective film campaigns for the brand's spring 2023 collections. Framed by the natural world, they each model gender-neutral chain jewelry and necklaces ([see story](#)).

Introducing our newest brand ambassador [@chandlerkinney](#). The Pretty Little Liars Original Sin actor wears a full suite of Cable Edge - crafted from certified recycled silver and 18K yellow gold. [#DavidYurman](#) [#DYCreativityInspires](#) <https://t.co/HTc1eFrefxP> pic.twitter.com/RvAMnHqhpS

Similarly, Ms. Kinney models the sculptural pieces from the Cable Edge and Renaissance collections. These include the 9.7-millimeter sculpted cable pinky ring, as well as the Renaissance ring, both in 18-karat yellow gold. The latter ring is also available in sterling silver.

On her wrists she stacks alternating Renaissance bracelets in sterling silver and 18-karat yellow gold.

"I love mixing metals," said the actress in a statement on the brand's site. "That is one of my favorite things: taking rules and breaking them."

The Renaissance bracelets also come in silver and black titanium as well as rose gold options. The pieces mentioned range in price from \$595 to \$4,050. More information about these and other pieces from the Renaissance collection can be found [here](#).

From the Cable Edge collection, which draws inspiration from industrial cable and is made from recyclable materials, Ms. Kinney models the 23mm Cable Edge Curb chain necklace and the bracelet of the same name, both of which are 23 millimeters in diameter.

Additionally, she sports the 28.9-millimeter Cable Edge hoop earrings and 18.8-millimeter Cable Edge saddle ring. Of these featured pieces, all of which are made of sterling silver, the saddle ring begins at \$595 while the chain necklace reaches a price point of \$3,725.

More information about these and other pieces from the Cable Edge collection can be found [here](#).
